

■ Eleven11 (\$1111)

Numbers that hit different.

Community Whitepaper

Solana | Pump.fun | 2025

Vision

Eleven11 (\$1111) is more than just a meme coin — it's about timing, community, and energy. The moment 11:11 hits, everyone knows to make a wish. We turned that feeling into a movement on Solana. Our goal is to create a token where perfect timing meets perfect entry — driven by community, powered by memes, and built for traders who understand that numbers matter.

Token Basics

Name: Eleven11

Ticker: \$1111

Blockchain: Solana

Launch Platform: Pump.fun

Mint Address: [to be added after launch]

Tokenomics

- Fair Launch: No presale, no team allocation — community first.
- Initial Liquidity: Pump.fun bonding curve → auto to Raydium if traction builds.
- Supply Distribution: 100% available on launch.
- Community Growth: Stickers, memes, collabs, and organic shilling drive adoption.

Roadmap

Phase 1: Launch (Week 1)

- Launch on Pump.fun (Friday, 11:11 PM PT).
- Twitter/X & Telegram live.
- Bots active (DexScreener + Photon for charts & trades).
- Community seeding with stickers + memes.

Phase 2: Growth (Weeks 2–4)

- Holder contests (meme competitions, sticker drops).
- Push trending hashtags (#1111, #NumbersThatHitDifferent).
- Listings on community trackers (DexScreener, Birdeye, etc.).

Phase 3: Expansion (Month 2+)

- Possible Raydium migration for deeper liquidity.
- Eleven11 merch (shirts, hoodies, stickers).
- NFT drops themed around 11:11 wishes.
- Partnerships with other meme communities.

Community

The heart of Eleven11 is the community. \$1111 is built to be a movement, not just a ticker. Every wish at 11:11 is a signal, and every holder is part of the timing.
